REASONS TO COME HOME

The Pink Blossom Park, a perfect for family and the little ones who are bursting with energy.

REVITALIZING & REFRESHING

Whether it's a simple stroll or a jog, the treeline along the track will give a sense of fresh and revitalizing air. Simply difficult to come by in urban cities.

PAMPERING YOUR SENSES

While enjoying the beautiful sight of lush greenery and scent of fresh air, we a Greenfield complements your senses through the sound of water throughout the outdoor experience. The endless cascading pool flows across the outdoor estate, generating the calming sounds of water wherever you are.

Nothing beats washing away the "dirt and grime" of the day than a dip in the 50 metres length infinity pool or unwind at the Sunken Sundeck.

HOME IS WHERE THE HEART IS

Greenfield Residence treasure privacy and personal space, a space to truly be ourselves. The dual key units; the perfect choice for families with grown-up children who need their space, without sacrificing the comforts of home. Or those taking care of their parents, allowing them a sense of independence with you not that far away.
